

# Dog Friendly

While we are dog friendly at Craggy Peaks we have strict rules that must be followed by anyone planning to bring a dog.

## Here are the rules ...

- You must **take absolute responsibility** for your dog
- Dogs are to be **kept on leash** at all times when outside.
- Handlers must demonstrate **respect** for the environment and our guests.
- Dogs are **not** to be allowed to **chase, harm** or otherwise **disturb** the native animals.
- Dogs must be **healthy** and free from fleas, worms and other parasites.
- Only **house-trained** dogs are allowed.
- Dogs are **not to be left alone** inside or outside cabins.
- At **night** dogs are to sleep inside.
- Dogs are **not allowed on beds**. You must **provide one** for them or a mat to protect our floors.
- Maximum number of dogs per cabin **two**.
- **You are responsible** for any damage incurred by your pet and cleaning/repair charges may apply.
- Some medications (including flea treatments) are toxic to our environmental sewage system and the delicate ecosystem living in our dam & streams. **Please check with us first** if your **Dog is taking medication**.
- Dog **waste should be picked up** and deposited in the bins provided near reception. **Never flush dog waste down the toilet**.

*Thank you from the team at Craggy Peaks!*
